## OnStar Hands-Free Calling

## OnStar Hands-Free Calling\*

### Improved Voice Dialing

*Now when you dial you can say the entire number, all at once, without pausing. You no longer need to say each number—one digit at a time—and wait for the system to repeat it back.*

#### How to retrieve your Hands-Free Calling number:

What you do	What happens
Press	"OnStar Ready"
Say "My number"	"Your Onstar hands-free calling number is <number>."
( _ _ _ ) — _ _ _ — _ _ _ _ _	
Write your number here for reference.	

#### How to make a call:

What you do	What happens
Press	"OnStar Ready"
Say "Dial"	"Please say the entire phone number to dial"
Say the entire number without pausing	OnStar will repeat the number and ask "Yes" or "No"
Say "Yes" (or "No" to try again)	"Ok, Dialing"

**NOTE: Be sure to always use "1" and the area code.**

part#ONSTAR702

## OnStar Hands-Free Calling

#### How to store a nametag for speed dialing:

What you do	What you hear
Press	"OnStar Ready"
Say "Store"	"Please say the entire phone number to dial"
Say the entire number without pausing (use "1" and the area code).	OnStar will repeat the number, and ask "Yes" or "No"
Say "Yes" (or "No" to try again).	"Please say the nametag"
Say "<home>."	"About to store <home>. Does that sound Ok?"
Say "Yes" (or "No" to try again).	"Ok storing <home>"

#### How to place a call using a stored nametag:

What you do	What you hear
Press	"OnStar Ready"
Say "Call"	"Please say the nametag"
Say the nametag you wish to dial	"Ok, calling <nametag>"

**Check your minutes by pushing the phone button, say "Minutes" and then "Verify".**

\*OnStar Hands-Free Calling requires a Hands-Free Calling enabled vehicle, existing OnStar service contract and prepaid calling minutes or enrollment in a shared minute plan. Not available in certain markets. Calls may be made to the US and Canada only. OnStar voice recognition may not work with some voices.
