This Agreement between the Fleet Customer ("Subscriber") shown above and OnStar Corporation, located at 400 Renaissance Center, Detroit, MI 48265, covers those vehicles equipped with OnStar that are provided with an OnStar Service Plan for a fixed period of time.

Fleet Customer agrees to advise their drivers that vehicles are equipped with OnStar and, if applicable, OnStar Business Vehicle Manager (BVM) and/or OnStar Vehicle Diagnostics data services, so that the drivers will be aware of limitations concerning warranties, privacy and the performance of OnStar and other issues that may be of concern. Fleet Customer further understands that OnStar equipped vehicles may have Stolen Vehicle Slowdown capability that enables OnStar to slow down a stolen vehicle remotely to assist authorities in its recovery. OnStar will provide Fleet customer a suggested driver letter for this purpose upon request.

If Fleet customer chooses to have the BVM data summary reports sent to a designated third party, then indicate who you authorize them to be sent to in the 'BVM Reports Designate' section below.
