RemoteLink User Terms (iOS) - Canada

Welcome to RemoteLink! RemoteLink is a service provided by General Motors of Canada Company (formerly known as General Motors of Canada Limited) operating as OnStar, or its affiliates (“**OnStar**” or “**we**” or “**us**”), that allows you, through the authorized Apple device that you own or are the authorized user (your “**Device**”), to view diagnostic information of your OnStar-equipped eligible vehicle (your “**Vehicle**”) and to issue commands to your Vehicle, such as door lock/unlock and remote engine start commands (if your Vehicle has these automated features). These services (the “**RemoteLink Services**”) may be available while your Vehicle is connected to OnStar through the OnStar Basic Plan, through a service trial period that we may offer from time to time, or through a paid service plan. If your Vehicle is only connected through the OnStar Basic Plan (which is available for the first five years after the original Vehicle purchase date), only a limited set of the RemoteLink Services (referred to as “**KeyFob Services**”) are available for properly equipped Vehicles. To find out the availability of services for your Vehicle, and the remaining term in your 5 years of KeyFob Services, contact us as set out below. Further details and limitations of the RemoteLink Services and the KeyFob Services are available at www.onstar.com/remotelink.

When you click “I Accept”, or when you access or use the RemoteLink Services on your Device, you agree to the following:

- The OnStar User Terms located at <https://www.onstar.com/web/portal/termsconditions?g=1> as supplemented by these RemoteLink User Terms (the “**Terms**”) are binding between you and us and govern your access and use of the RemoteLink Services and all other OnStar Services you use. For clarity, the term “**Services**” in the OnStar User Terms includes the RemoteLink Services, “**Connected Device**” includes your Device, “**Agreement**” includes these Terms, and “**Software**” includes the RemoteLink application that you downloaded to your Device (the “**Application**”). You should carefully review the OnStar User Terms, summarized below, before accessing or using the RemoteLink Services. We may amend the Terms on the same basis as are set out in the OnStar User Terms;
- It is your responsibility to ensure that all users of your Vehicle know that anyone with access to the RemoteLink Services through your Device may be able to access information about your OnStar account and your Vehicle;
- You will only use the RemoteLink Services when it is safe to do so, in compliance with the law and these Terms;
- You will not use the RemoteLink Services to harass or harm any person, or for any improper, unlawful, or unauthorized purpose (including the unauthorized uses described in Sections 18 and 20 of the OnStar User Terms);
- You may cancel the RemoteLink Services at any time by contacting us at 1-888-4-ONSTAR. You cannot cancel Services simply by Uninstalling the Application

from your Device. We may cancel the RemoteLink Services as set out in the OnStar User Terms. Cancellation of the RemoteLink Services does not cancel or terminate the OnStar User Terms with respect to any other OnStar Services;

- If you sell or transfer your Vehicle, you must notify us by pressing the blue OnStar button in your Vehicle or by calling us at 1-888-4-ONSTAR and you must stop using Services for that Vehicle. You may not use the RemoteLink Services in respect of a Vehicle for which you are not the owner or authorized by the owner, and doing so may result in civil liability and/or criminal charges;
- We may collect, use, and share information about you, including the location of your Device or your Vehicle as described in the RemoteLink Privacy Statement available at <https://www.onstar.com/web/portal/privacy?g=1> THIS INCLUDES THE COLLECTION OF INFORMATION RELATING TO THE GEOGRAPHIC LOCATION AND SPEED OF YOUR VEHICLE AND/OR YOUR DEVICE;
- If a dispute arises, you will resolve it with us through individual arbitration as set out in the OnStar User Terms;
- We are not responsible for the acts of third parties who may access the RemoteLink Services and information through your Device. You should use all security features of your Device, including any password, locking, or encryption features, to protect against unauthorized access and use of the RemoteLink Services and your information;
- The following section does not limit Section 10 of Quebec’s Consumer Protection Act, if such legislation is otherwise applicable. Your use of the RemoteLink Services may involve services made available to you by third parties, such as the wireless services provided for your Device by your wireless carrier, such as the wireless services provided for your Device by your wireless carrier, and map and data services provided by Telenav, Inc that are governed by terms posted at www.telenav.com/legal/terms/gm/. We cannot guarantee the reliability or security of these third party services and we are not responsible for any damages caused by these third party services, such as any loss of personal information through third party network services;
- These terms grant you a non-commercial, non-exclusive, non-transferable, limited, terminable license to use the Application and the RemoteLink Services solely with your Device, throughout the United States and Canada, subject to your compliance with the Agreement. The Application is licensed, not sold, to you, solely for your personal use. OnStar retains all right, title, and interest in and to the Application, the RemoteLink Services and all related data and information, including intellectual property and proprietary rights and interests;
- In the event of any conflict between these Terms and the OnStar User Terms, these Terms will govern for any access or use of the RemoteLink Services. The reference

to “Connected Device” in Section 15.2 and in the last subsection of Section 18 of the OnStar User Terms does not apply to your Device;

- You are entering into the Agreement, including these Terms, with OnStar and not with Apple Inc. (“Apple”). However, Apple and its subsidiaries are third party beneficiaries of the Agreement, and Apple may enforce the Agreement. We are solely responsible, as provided in these Terms, for the Application and its associated information; Apple makes no warranty with respect to the Application or the information and has no obligation whatsoever to furnish any maintenance and support services for the Application. Apple is not responsible for addressing any claims relating to the Application or its associated information or your possession or use of the Application, including but not limited to: (i) product liability claims, (ii) any claims that the Application fails to conform to any legal or regulatory requirement, and (iii) claims arising under consumer protection and similar legislation. If a third party claims that the Application, its associated information, or your possession or use of the Application or associated information infringes a third party’s intellectual property rights, Apple is not responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim. You acknowledge that you have reviewed the App Store Terms located online at <http://www.apple.com/legal/itunes/us/terms.html#APPS> and that you shall comply with such terms;
- Our liability to you, and your recourse against us, for the RemoteLink Services are limited as set out in the OnStar User Terms.

If you have any questions, comments or complaints regarding the RemoteLink Services, or you want to cancel the RemoteLink Services, feel free to contact us at any time by pressing the blue OnStar button in your OnStar equipped Vehicle, emailing us at TTY@OnStar.com, mailing us at OnStar Subscriber Services, P.O.
