

User Terms for Application Services

Last Updated May 1, 2018

This software application (the “**Application**”) is provided by General Motors of Canada Company, or its affiliates (“**GM**” or “**we**” or “**us**”) and makes services made available to you (the “**Application Services**”) via the authorized Apple or Android device that you own or are the authorized user (your “**Device**”), which may include the ability to view diagnostic information of your OnStar-equipped eligible vehicle (your “**Vehicle**”) and to issue commands to your Vehicle, such as door lock/unlock and remote engine start commands (if your Vehicle has these automated features). The Application Services may be available while your Vehicle is connected to our systems via a service trial period that we may offer from time to time, a service plan made available to you at no additional charge (e.g. the OnStar Basic Plan), or through a paid service plan. Some of the Application Services may not be available to you for your Vehicle unless you are participating in a paid service plan for that Vehicle. Further details and limitations of the Application Services are available at https://www.onstar.com/ca/en/mobile_app/.

When you click to accept the following terms (these “**Terms**”) or when you access or use the Application Services on your Device, you agree to the following:

- The GM User Terms for Connected Vehicle Services located at www.onstar.com/ca/en/footer-links/terms-conditions.html (the “**Connected Vehicle Service Terms**”) as supplemented by these Terms are binding between you and us and govern your access and use of the Application Services. For clarity, the term “**Services**” in the Connected Vehicle Service Terms includes the Application Services, “**Connected Device**” includes your Device, “**Agreement**” includes these Terms, and “**Software**” includes the Application. You should carefully review the Connected Vehicle Service Terms, summarized below, before accessing or using the Application Services. We may amend the Terms on the same basis as are set out in the OnStar User Terms;
- **IT IS YOUR RESPONSIBILITY TO OBTAIN THE CONSENT OF AND ENSURE THAT ALL USERS OF YOUR VEHICLE KNOW THAT ANYONE WITH ACCESS TO THE APPLICATION SERVICES THROUGH YOUR DEVICE MAY BE ABLE TO ACCESS INFORMATION ABOUT YOUR ACCOUNT AND YOUR VEHICLE, INCLUDING THE LOCATION OF YOUR VEHICLE;**
- You will only use the Application Services when it is safe to do so, in compliance with the law and these Terms, and you will not use the Application Services offered through your Device while driving;
- You will not use the Application Services to harass or harm any person, or for any improper, unlawful, or unauthorized purpose (including the unauthorized uses described in Sections 18 and 20 of the Connected Vehicle Service Terms);
- You may cancel the Application Services at any time by contacting us at 1-888-4-ONSTAR. You cannot cancel Application Services simply by Uninstalling the Application from your Device. We may cancel the Application Services as set out in the Connected Vehicle Service Terms. Cancellation of the Application Services does not cancel or terminate the Connected Vehicle Service Terms with respect to any other Services;
- If you sell or transfer your Vehicle, you must notify us by pressing the blue OnStar button in your Vehicle or by calling us at 1-888-4-ONSTAR and you must stop using Services for that Vehicle. You may not use the Application Services in respect of a Vehicle for which you are not the owner or authorized by the owner, and doing so may result in civil liability and/or criminal charges;
- We may collect, use, and share information about you, including the location of your Device or your Vehicle as described in the Privacy Statement for Application Services posted at https://www.onstar.com/ca/en/privacy_statement/. **THIS INCLUDES THE COLLECTION OF INFORMATION RELATING TO THE GEOGRAPHIC LOCATION AND SPEED OF YOUR VEHICLE AND/OR YOUR DEVICE. - The following section does not limit Section 10 of Quebec’s Consumer Protection Act, if such legislation is otherwise applicable. Your use of the Application Services may involve services made available to you by third parties, such as the wireless services provided for your Device by your wireless carrier, and map and data services provided by Telenav, Inc that are governed by terms posted at <http://www.telenav.com/legal/terms/gm/>. Any map or data services that are provided by HERE North America, LLC and its affiliates are governed by terms posted at <https://legal.here.com/>. the reliability or security of these third party services and we are not responsible for any damages caused by these third party services, such as any loss of personal information through third party network services;

The Application is licensed, not sold, to you, solely for your personal use. GM retains all right, title, and interest in and to the Application, the Application Services and all related data and information, including intellectual property and proprietary rights and interests;
- In the event of any conflict between these Terms and the Connected Vehicle Service Terms, these Terms will govern for any access or use of the Application Services. The reference to "Connected Device" in Section 15.2 and in the last subsection of Section 18 of the Connected Vehicle Service Terms does not apply to your Device;
- Our liability to you, and your recourse against us, for the Application Services are limited as set out in the Connected Vehicle Service Terms, and
- If your Device is an Apple device, then the following paragraph applies: You are entering into the Agreement, including these Terms, with GM and not with Apple Inc. ("Apple"). However, Apple and its subsidiaries are third party beneficiaries of the Agreement, and Apple may enforce the Agreement. We are solely responsible, as provided in these Terms, for the Application and its associated information; Apple makes no warranty with respect to the Application or the information and has no obligation whatsoever to furnish any maintenance and support services for the Application. Apple is not responsible for addressing any claims relating to the Application or its associated information or your possession or use of the Application, including but not limited to: (i) product liability claims, (ii) any claims that the Application fails to conform to any legal or regulatory requirement, and (iii) claims arising under consumer protection and similar legislation. If a third party claims that the Application, its associated information, or your possession or use of the Application or associated information infringes a third party's intellectual property rights, Apple is not responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim. You acknowledge that you have reviewed the App Store Terms located online at <http://www.apple.com/legal/itunes/us/terms.html#APPS> and that you shall comply with such terms.
